Acceleration 100 km/h	5.8 s
Torque	255 Nm
Curb weight	1075 kg
Fuel	Benzin
Type of fuel	Normal
Environmental badge	none

Details

Very well maintained 911 2.7 RS Touring This model was delivered the 8th of July 1973 in Switzerland and stayed 16 years in first hand. Many things which can be documented with invoices were done during the second ownership. It was imported to France in 2003 and then extensively restaured by the Company FVD Fahrzeugtechnik. Of course, all the invoices about the restauration are available and documents like "Pflegepass", service book and Porsche Certificat are part of the vehicle. The last owner had an expertise made by a specialist in order to document the originality of the car. Thanks to its beautiful and rare colour "Glasur Blau 6666", this RS comes to shine and is a must for every Porsche collector!
