Details

This offered Corvette C7 Z06 with the 6.2 l V8 NA Engine, which was upgraded by a supercharger to 659 hp and 881 Nm of torque, is a perfect everyday weapon for highways and racetracks. This specific car is a very well maintained Z06 from 1. Private hand (1st Hand was a formal registration on the dealer) in a subtle, yet aggressive color combination of gray metallic and the black full leather interior. Adding to the standard variety of carbon applications additional carbon components were later installed on the side skirts and at the rear. Additional Options: Sports seats Competition driver and passenger (AE4) Removable carbon fiber roof in body color Carbon interior package visible (FAY) Aluminum wheels painted black, 19 x 10.0 J front, 20 x 12.0 J rear Brake calipers painted red Bose audio system with 10 speakers Carbon body kit visible (front lip, fender flares, side skirts, and rear diffuser with rib set) Cooling system conversion incl. Ventilation system (larger intercooler / additional water cooler) Further information is available upon request.
